

Are You Interested in Acquiring a Hotel?

New England Hotel Realty and its national network of associated real estate professionals has provided quality investment opportunities to buyers and sellers in hundreds of hotel transactions as well as short term management solutions for over 50 hotels ranging up to 350 rooms throughout the country.

To ensure that you are among the first investors to know when hotels become available for sale, please bring us up to date on the kinds of lodging real estate investments and the locations that interest you. Simply provide your specifications below. We'll notify you the minute we're asked to market properties that match your requirements. **Please be sure to include your Email address and fax number so that we may contact you directly.**
